

PE Funding Evaluation Form

- It is intended that this template should be used as preparation for the completion of the statutory digital reporting tool being introduced this academic year. You can upload data (including swimming) from this template onto this platform once it becomes accessible.
- Before you decide how you are going to use the funding for this academic year you should reflect and evaluate the impact of your use of the funding in 2023/24.
- All spending of the funding must conform with the terms outlined in the Conditions of Grant document.
- The template is a working document that you can amend/update during the year.
- Based on your evaluation of last year's funding you should decide what you intend to do this academic year, how you will do it, and what impact you expect it to have.

It is important that the funding is used effectively and based on your school's needs.

- You must use the funding to make additional and sustainable improvements to the PE and sport in your school.
- You must develop and add to the PESSPA activities that your school already offers.

Summative digital reporting from June 2025 will continue to include swimming and water safety information therefore funding can be used to provide top-up lessons where necessary to ensure pupils meet national curriculum swimming requirements.

Review of last year 2023/24

We recommend that you start by reflecting on the impact of current provision and reviewing your previous spend

What went well?	How do you know?	What didn't go well?	How do you know?
School games award - Gold	Completed the audit/evaluation form - Gold awarded (19th July 2024)		We were unsuccessful in securing a space for the football tournament. We have been unable to participate (due to lack of numbers) in some sporting events.
			The lack of skills and expertise that our children have means that they leave tournaments disheartened and lacking confidence.
-		There is not sufficient and comprehensive measure of the outcomes and attainment in PE. Teachers are using a 'all, most, some' approach to assessment and therefore tracking is not fully possible, this also means that there is not a robust intervention	by looking at the assessment grids that are available.
, ,	Pupils accessed a wide range of sports and activities Community attendance was high	Subject leadership of PE. Due to changes in staffing the PE lead is	

Review of last year 2023/25

participate. These were supervised by both SG staff and Active Trowbridge specialists. A wider range of games and sports were included.	An assembly was used to celebrate pupil achievement and participation, with explicit links to our school values	new to the role and needs support to have sufficient subject knowledge and expertise to lead PE and ensure the curriculum is fit for purpose.	
The Activity Zones for break/lunch were increased, supplemented by a new gym area which has proven extremely popular.	The equipment is always full and the children who may have not been as active in the past are now moving. This is particularly true of some of our children with additional needs where the equipment gives good sensory feedback (rocking for example)		Swimming assessments – these are in Year 4 – 28% of children swimming 25m Last year, Year 6 did not swim with our teachers (and missed so much due to Covid/lack of pool slots and we have not got sufficient evidence of their achievements. Top up was not up and running so we were unable to take part in this.)
We participated in the West Wilts Dance Festivals at Bath Forum, with boys and girls from both Key Stages participating.	The children were confident to perform on the stage. Dance clubs for both key stages run for 2 terms in preparation for the show.		
We ran Sports Days over three mornings, for Year 6, EYFS/KS1 and KS2, which were well-attended by parents and which enabled all pupils to participate, including our Resource Base pupils.	and supported the younger children in their sports days.		
The school's Therapeutic Mentoring provision was able to include a wide range of sporting, physical and outdoor activities in our trauma work. This	It provides consistency, safety and stability for children who need more relational based support.		

benefited many pupils with trauma-		
based needs as well as others following		
our ELSA programme.		

Intended actions for 2024/2025

Funding 2024-2025

Total funds	Received 7/12 of the allocation on 8 November 2024	Received 5/12 of the allocation on 9 May 2025	Total spent
£17,910	10,447.50	7,462.50	

What are your plans for 2024/25?	How are you going to action and achieve these plans?
Intent	Implementation
Key indicator 1: Increasing all staff's confidence, knowledge and skills in teaching PE	and sport
1.1 Subject leader to undertake training linked to the Curriculum to up-skill her knowledge and understanding of PE so she can confidently disseminate to all staff, and increase their knowledge and confidence.	Subject leader to work alongside experienced PE lead 3 days x per year Participation in PE training costings £250 x 3 per year = £750
	Join AFPE - https://www.afpe.org.uk/page/JoinNow
1.2 Increase staff confidence and knowledge in teaching PE and sport	Staff Audit Training sessions related to key low-confidence areas to be put into place. use of Rachel Bown (Inclusive PE) to support inclusive PE in Resource base classes and Mainstream SEND - upskilling TA's as well as teachers
	costings

Intended actions for 2024/2025

	Complete PE
	£150
	Specific training based on the outcomes of the audit - £500
	Rachel Bown - ½ per week - £3000
1.3 Swimming training for additional staff to increase our capacity for teaching	training sessions at the pool
going forward	Fortius Education
	<u>costings</u>
	£600 for supply for the inclusive SEND course
1.4 Forest school training for staff to enable well-being, increased movement	Training session with CSL
and development of gross and fine motor skills	
	costings
We have extensive grounds where our children can access nature, yet we haven't the staff knowledge to exploit this safely and effectively.	£600 for supply to enable the TAs to complete the sessions
Key indicator 2: Increasing engagement of all pupils in regular physical activity	y and sport
To ensure all children are active for 60 minutes a day, 7 days a week - at least 30	Playground markings
minutes of this should be within the school day	Forest School training and sessions to enable more children to move more and develop gross and fine motor skills
	Daily Physical activity sessions linked to sensory circuits ensure an additional 10
	15 minutes of activity within the school day.
	Costings
	Playground marking - £3500
	Physical sensory equipment - £4000

lunchtime physical club - £500 per term x 6 = £3000

	costings £1000

Expected impact and sustainability will be achieved

What impact/intended impact/sustainability are you expecting?	How will you know? What evidence do you have or expect to have?

Expected impact and sustainability will be achieved

Increased access to and involvement in physical activities at school lunchtime.

Key indicator 1: Increasing all staff's confidence, knowledge and skills in teaching PE an
--

1.1/1.2	Staff audits
1.1/1.2	Lesson observations
On children	Pupil voice surveys
Better PE sessions with increased skills being shown	PESSPA
On staff	Pupil attainment
Increased confidence and knowledge of teaching PE	Tracking of participation
Sustainability?	Increase understanding on the PE audit
Subject knowledge will need to be redressed and refreshed on a rolling cycle to	g
ensure that it is relevant and up-to-date	
scheme of work will ensure consistency of teaching and quality.	
Continue to have a wide variety of opportunities to improve children's cultural	
capital.	
Continue with a successful active mile.	
1.3 and 2.2	
There is an increase were an executing the provider of children who can assist OF as	Swimming award data
There is an increase year on year in the number of children who can swim 25 m	% of children able to swim 25m
by the end of their time at Studley Green School We have successfully trained 3 teachers to deliver swimming ensuring that we	
are able to attend all year long. Adding an additional staff member would add to	
the sustainability of this model.	
•	Forest school leader and teaching staff
1.4	 Children will have a greater opportunity to move and explore, more
We have extensive grounds where our children can access nature, yet we	regularly
haven't the staff knowledge to exploit this safely and effectively.	More pupils meeting their daily physical activity goal
	 More pupils are encouraged to take part in PE and sports activities.
Mars in the standard management of all mars in a management	
Key indicator 2: Increasing engagement of all pupils in regular p	onysical activity and sport
2.1	
By July 2025, at least 80% of children are achieving ARE in PE	
By July 2025, all children will receive opportunities to be physically activity for at	
least 60 minutes a day	
Behaviour improvement at break and lunch.	

Expected impact and sustainability will be achieved

activity levels increased daily.

Positive attitudes towards health and fitness are generally seen in children. Social and emotional well-being are more positive after physical activity. Staff have seen more readiness to learn following physical activity, such as Daily Mile.

Pupil fitness and fundamental movement skills have developed and improved through extended provision (external data) Pupil voice survey

Sustainability

With a big investment in equipment this year these should not be a priority next year and the focus will shift

Key indicator 3: Raising the profile of PE and sport across the school, to support whole school improvement - sports leaders

Children will run the games and support the participation of sports in school. Increased access to and involvement in physical activities at school lunchtime. increased leadership skills and resilience in UKS2 children

Increased participation
School games mark
sports leadership to be successful
Sports Ambassadors programme (run by SGO)

sustainability

Apply to School Games Mark when this becomes available. sports leader programme model to be run 'in house' as the model is set up and they can teach each other

Key indicator 4: Offering a broader and more equal experience of a range of sports and physical activities to all pupils - clubs

Inspire a love of a range of sports Children to engage with greater sustainability

aw up an annual timetable for staff and coaches to compliment upcoming events and to ensure there is a broad range of sports/skills being taught at lunchtimes

sports stars displays

Key indicator 5 : Increasing participation in competitive sport

Expected impact and sustainability will be achieved		
Huge benefits to the children who develop competition skills but also wellbeing/cognitive and resilience skills in participating		

Actual impact/sustainability and supporting evidence

What impact/sustainability have you seen?	What evidence do you have?
Key indicator 1: Increasing all staff's confidence, knowledge and skills in tea	ching PE and sport - <u>Spent – £3,365</u>
Spend £150 - online training £2990 – external coach (SEND specialist)	 Staff audits Pupil attainment Tracking of participation
Impact On children Better PE sessions with increased skills being shown in the RESOURCE BASE and RECEPTION class. On staff Increased confidence and knowledge of teaching PE Sustainability? RB and Reception teacher have been able to use the specialist SEND PE toach to support in the planning and delivery of PE. The Tas have also been part of this and therefore will be able to take this forward in the coming years. This will ensure a better foundation of fundamental PE skills with SEND pupils	
1.3 and 2.2 Spend £225 − SEND swimming course Impact There is an increase year on year in the number of children who can swim 25 m by the end of their time at Studley Green School (from 28% Y2023/2024 to 42% this year). sustainability	 Swimming award data % of children able to swim 25m % water safety Children starting to be able to join club level swimming Staff confidence and ability to teach children
We have successfully trained 3 teachers to deliver swimming and 1 specialist SEND assistant. Having the in house teachers means that we have the knowledge of the	

Actual impact/sustainability and supporting evidence

children and their needs. It means that we can ensure progress too as it is consistent. Adding an additional staff member would add to the sustainability of this model.

Key indicator 2: Increasing engagement of all pupils in regular physical activity and sport

spend — £6540.28 (playground markings, sensory circuits room, dance/football club at lunchtimes run by young leaders)

Impact

- children receive opportunities to be physically activity for at least 60 minutes a day 45 through playtime/lunchtime activity and then additional time is through walks/PE sessions etc..
- Behaviour improvement at break and lunch.
- Increased access to and involvement in physical activities at school lunchtime. activity levels increased daily.
- Social and emotional well-being are more positive after physical activity.
- Pupil fitness and fundamental movement skills have developed and improved through extended provision

Sustainability

With a big investment in equipment this year these should not be a priority next year and the focus will shift

Evidence

- Super movers groups
- Sensory circuits room well used children are much calmer and ready to learn after sessions – Sensory tracker.
- Attendance at the dance and football club has been high and consistent. The children love this!
- Positive attitudes towards health and fitness are generally seen in children.

Key indicator 3: Raising the profile of PE and sport across the school, to support whole school improvement - sports leaders

Spend – T-shirts - £245, Rachel time to support the leadership programme (part of external coaches fees)

impact

- Children run the games and support the participation of sports in school.
- Increased access to and involvement in physical activities at school lunchtime.
- increased leadership skills and resilience in UKS2 children

- Increased participation
- School games mark
- sports leadership is successful will continue with more peer to peer opportunities next year.
- Sports Ambassadors programme (run by SGO)
- Pupil voice
- Notes from external coach regarding the programmes.

Actual impact/sustainability and supporting evidence

sustainability

- Apply to School Games Mark when this becomes available.
- sports leader programme model to be run 'in house' as the model is set up and they can teach each other

Key indicator 4: Offering a broader and more equal experience of a range of sports and physical activities to all pupils - clubs

Spend - £5278.00

Impact

- Inspire a love of a range of sports this is especially true of dance
- Children to engage with greater number of clubs and sports

sustainability

 draw up an annual timetable for staff and coaches to compliment upcoming events and to ensure there is a broad range of sports/skills being taught at lunchtimes. sports stars displays

wide range of clubs offered – dance, gymnastics, cheerleading netball, athletics, football, dodgeball etc.. attendance registers

Key indicator 5: Increasing participation in competitive sport -

Spend £1879.28

Impact

- Greater number of festivals taken part in: tri-golf, swimming, netball, tag rugby, new age kurling, boccia
- Huge benefits to the children who develop competition skills but also wellbeing/cognitive and resilience skills in participating
- Greater number of children participating

- School games award
- Inclusive health check
- Promotion of festivals has been good
- · Childrens voice at and after events
- Some children are taking the sport further after the events

Actual impact/sustainability and supporting evidence
