Letter from the Headteacher

This Week at Studley Green

A wild week of weather, but we're finishing with a lovely sunny afternoon. The children have been working incredibly hard, and I've been giving out plenty of gold stickers for exceptional work. Don't forget you can always see what your children are learning each week by checking the curriculum plans on our website:

Important Information

Reporting Child Absence

If your child is going to be absent from school, please inform the office as soon as possible.

You can do this by calling the school office on 01225 752713 and leaving a message, on ParentMail under Absence, or by sending an email to admin@studleygreen.equamead.org. This helps us keep our records accurate and ensures the safety of all our pupils.

Thank you for your support.

Mobile Phones

Studley Green Primary School is a smartphone-free site. Pupils are strongly discouraged from bringing mobile phones to school, as they are not required during the school day and can present issues around distraction, safeguarding and online safety. If a parent feels their child must carry a phone for safety reasons when walking to or from school independently, the phone must be handed in to the school office on arrival and collected at the end of the day. Phones must not be kept in bags, coats or pockets during school hours.

We recognise that, in exceptional circumstances, a small number of pupils may require reasonable adjustments, for example, pupils with specific medical needs. In such cases, arrangements will be agreed in advance with the Senior Leadership Team and communicated clearly to all adults working with the pupil. Phones approved under reasonable adjustments must still be stored safely with staff unless alternative arrangements have been formally agreed.

Book review: Danny the Champion of the World
Choosing one book for a book review was an enormous challenge. I chose this book because, even though I have read hundreds of children's books, it is this book that draws me back to reading it again and again.

Danny the Champion of the World by Roald Dahl isn't just a great story—it's a celebration of cleverness, courage, and the extra special bond between a father and son. Set against the backdrop of the English countryside, this book invites us into a world where ordinary people take extraordinary risks for justice and joy. Each chapter sparks some provoking questions: What does it mean to be truly brave? How far would you go for family? What makes you truly 'rich'?

This is the perfect pick for your next read: it's short, yet gripping and moving. If you're looking for a story that will leave you thinking long after the last page, Danny the Champion of the World is your next must-read.

Read it, and come and let me know what you think!
