Letter from the Headteacher

Dear Parents and Carers,

The new trim trail has been a huge hit this week! It has been lovely watching the children explore it and enjoy something new on the playground. Just beside it, our new willow dome has now been planted and will keep growing over the Easter break. A big thank you to Ms Betteridge for all her hard work fundraising and for putting it together with the children.

The Rocksteady concert was brilliant, and you can really see how much confidence the children have gained with their instruments. Our Year 6s are now stepping down from the band, and we are choosing our next group of rock stars. If your child has been inspired to pick up an instrument, remember we have guitar and drum lessons available in school. Please ask at the office if you would like more information.

A huge well done to our tag rugby team, who finished 2nd in the inter-school tournament! We are incredibly proud of them. Thank you as well to our governor, Allan Mason, for giving up his time each week to coach the team.

Wishing you all a lovely, restful Easter break. We look forward to seeing everyone back on Monday 13th April.

Mr Orr

Important Information

Reporting Child Absence

If your child is going to be absent from school, please inform the office as soon as possible.

You can do this by calling the school office on 01225 752713 and leaving a message, on ParentMail under Absence, or by sending an email to admin@studleygreen.equamead.org. This helps us keep our records accurate and ensures the safety of all our pupils.

Thank you for your support.

Mobile Phones

Studley Green Primary School is a smartphone-free site. Pupils are strongly discouraged from bringing mobile phones to school, as they are not required during the school day and can present issues around distraction, safeguarding and online safety. If a parent feels their child must carry a phone for safety reasons when walking to or from school independently, the phone must be handed in to the school office on arrival and collected at the end of the day. Phones must not be kept in bags, coats or pockets during school hours.

We recognise that, in exceptional circumstances, a small number of pupils may require reasonable adjustments, for example, pupils with specific medical needs. In such cases, arrangements will be agreed in advance with the Senior Leadership Team and communicated clearly to all adults working with the pupil. Phones approved under reasonable adjustments must still be stored safely with staff unless alternative arrangements have been formally agreed.

We have reached the end of another very busy term. Together the children have achieved a combined total of 1944 reads in just 5 short weeks. Check out our Easter Reading Bingo to make sure you keep reading during the holidays.

This week our children have been very busy preparing and building our living willow dome. We welcomed Wiltshire Wildlife trust who loved working with you all and we are very proud of what you have created. A huge thank you to Tina (Zach, Erin and Charlie's non) who gave up some of her own time to come and help us.

We will be looking after it very carefully over the next few weeks to ensure the willow is able to root and will be opening it to readers early in term 5.

Book review: Sky the Blue Fairy

When I was younger I absolutely loved reading the Rainbow Magic stories! Each book follows the characters Rachel and Kirsty as they team up with different fairies to defeat the evil Jack Frost and his goblin minions.

There are over 300 stories in this massive collection, each with a new fairy and a different name. My friends enjoyed finding their names and their type of fairy in these books. My sister was a roller skating fairy and my cousin was a rainforest fairy. Unfortunately, they never gave a fairy my name. Instead, I chose my fairy - Sky the Blue Fairy - as she represented my favourite colour. I hope you all give this series a try and see if there is a fairy with your name! If not, you can be like me and choose the fairy which represents you.

National Year of Reading
Well done to all our reading badge winners - your efforts are amazing. As we know research tells us that reading enjoyment, nationally amongst children, is at its lowest level in 20 years. The National Year of Reading 2026 is a UK-wide campaign designed to help more people rediscover the joy of reading in allforms. Your support at home really matters!

A great big thank you to everyone for the efforts in helping us construct our Living Willow Dome. It was a very exciting day watching the dome take shape. Now we need to get some books so we can begin using the new space to encourage children to read in the outdoors.

Check out our latest Hot Choc Book Spot pictures. It was lovely to see so many children, family members and friends enjoying our library space and books.

Easter Holidays

Spring Egg-citement Family Event

Add some egg-citement to your Easter holidays with nature based crafts and activities at your local nature reserve.

Step into nature and **explore the wonders of spring**, from buds and blossom to nesting birds to buzzing pollinators. This event is perfect for families looking to get outdoors, connect with nature, and have fun together.

When and Where

Green Lane Wood, Trowbridge - Tuesday 7th April

The session will take place at the **Harbour Garden**, which is next to the main footpath running alongside the woods. It is best to park by Castle Mead School if you don't live locally, and follow the footpath by the park past the large ponds. It is about a 10 minute walk.
