Letter from the Headteacher

Dear Parents and Carers,

This week, our pupils have been working incredibly hard as Year 1 and Year 2 completed their phonics screening checks, and Year 4 undertook their multiplication tables check. We are very proud of how well the children approached these assessments, and we look forward to sharing their results with you later this term.

Despite the wet weather, we have still managed to enjoy several exciting experiences. Children have taken part in a fantastic science show and a memorable trip to Longleat. Pupils (and staff!) have also shown great resilience by continuing their walks to and from the swimming pool, whatever the weather may bring!

We understand that holidays can be more expensive during school holiday periods. However, we are unable to authorise leave during term time. Any requests will be considered in line with our attendance policy, and penalty notices may be issued where the threshold for unauthorised absence is met.

A reminder that Monday 15th June is a Teacher Development (TD) Day, and the school will be closed to all pupils. We look forward to welcoming everyone back on Tuesday 16th June.

Thank you, as always, for your continued support.

Mr Orr

Important Information

We kindly remind all families to keep driveways clear and to park responsibly in the surrounding streets at drop-off and pick-up times.

There have been recent issues with cars obstructing driveways, parking on pavements, and contributing to congestion, which poses risks to children and difficulties for local residents.

Thank you for your support.

Reporting Child Absence

If your child is going to be absent from school, please inform the office as soon as possible.

You can do this by calling the school office on 01225 752713 and leaving a message, on ParentMail under Absence, or by sending an email to admin@studleygreen.equamead.org. This helps us keep our records accurate and ensures the safety of all our pupils.

Thank you for your support.

Wet Play Update

We are making an exciting change to how we manage wet playtimes. Moving forward in September, children will no longer stay indoors during wet weather. Instead, they will continue to go outside in all conditions (where it is safe to do so), giving them the opportunity to stay active, enjoy fresh air, and burn off energy.

Outdoor play is an important part of children's wellbeing and development, and we are keen to encourage resilience and a love of being outdoors in all seasons.

Please can parents and carers ensure that children come to school with appropriate clothing, including waterproof coats and suitable footwear. To help keep children comfortable and ready for outdoor play in all weather, wellies will be added to our school uniform from September. Please ensure your child brings a pair to keep in school so they can stay comfortable and enjoy their playtime whatever the weather.

We are looking to build up a supply of spare waterproof clothing for children to use when needed.

If you have any outgrown or unused wellies, waterproof coats, or rain suits at home that are still in good condition, we would be very grateful for any donations. These items help ensure that all children can stay warm, dry, and comfortable while enjoying their time outside.

Donations can be handed in at the school office.

Thank you for your continued support.

Luna Class Sponsored Scoot

A huge **thank you** to all our Luna Class parents and families for your incredible support with our sponsored scoot. Together, we have raised **over £700**, which is absolutely amazing. We couldn't have achieved this without your generosity and encouragement.

The children were **fantastic** during the sponsored scoot — bravely scooting around the whole playground with their peers and showing such determination and enthusiasm. We are very proud of them.

The money will go towards our upcoming trip to the farm, as well as a special treat to celebrate the end of the year. We are so grateful for everything you do to support our class community!

Forest School

This week in **Forest School**, Luna Class collected natural items to decorate their butterflies and create clay-and-varnished wood art pieces. The children loved exploring the area and choosing leaves, petals, sticks and seeds to use in their designs.

Calypso varnished their wood art decorations. Otto used a **power drill** to make a hole in his wooden disc, then carefully threaded it, varnished it, and hung it in our forest area.

The World Cup is here, and just like football stars, you can become champions of reading! This month, we're bringing together our love for books and football to score some reading goals.

Goal of the Month: Read 20 Minutes a Day!
Just like players practice every day, reading a little each day makes you stronger and faster! Try reading for **20 minutes** and see how far your imagination can go.

🏅 **Coach's Tip:**
Remember, reading is like football: practice makes perfect, and every little effort counts!

GO ALL IN. National Year of Reading 2026

If you're into football, read into it ...

🌍 **Around the World with Books**

Travel to different countries without leaving your chair! Check out these books inspired by countries participating in the World Cup:

- **Brazil** – *"My Big Book of Brazilian Animals"* (Learn about wildlife and culture!)
- **France** – *"Madeline" by Ludwig Bemelmans* (A classic story set in Paris)
- **Japan** – *"Kiki's Delivery Service" by Eiko Kadono* (Adventure and magic!)
- **Egypt** – *"Egyptian Gods and Goddesses"* (Discover myths and legends!)

Challenge: Pick a book from a country playing in the World Cup. When you finish, write down one fun fact you learned!

Why not read and play - dont forget the photo!

⚽📚 **Did You Know?**

Reading and football both help build important skills. Football strengthens your body, while reading strengthens your brain. Champions need both!

Hot Chocolate Book Spot – Final Raffle!

This term is your last chance to enjoy a **hot chocolate and some football-themed treats** with a family member or friend!

We will be holding the final draw on Friday, 17th July with guests invited to join us in the library on Tuesday 21st July. Remember: every 4 reads = 1 ticket, so the more you read, the better your chances of winning a spot!

Swimming Lessons

Intensive swimming lessons are an excellent introduction to regular lessons or to enable children already in lessons to work on their skills and strokes to help them progress faster in their weekly class. This summer we are also **offering technique clinics for butterfly and Breaststroke stage 4/5** and **stages 6/7** - perfect if you need help to master 1 of these strokes. We are also offering **rookie lifeguard taster**- perfect for stage 6 upwards, **stage 7 water safety award 3** and learn to **dive from the poolside for stage 5 plus** (not boards or blocks). We are for the first time offering an **adult width improver** course for those who are water confident but needing stroke development/correction.
