EQUA Mead

Every Child, Every Chance

Letter from the Headteacher

Dear Parents and Carers,

This week, we have been celebrating Japanese cuisine as part of our Food Festival. The children have thoroughly enjoyed preparing the food, learning new skills and exploring a range of new flavours.

I had the pleasure of watching our KS1 dance crew perform at the West Wiltshire Dance Festival. I may be somewhat biased, but their performance on Bath Forum's big stage was spectacular! A huge thank you to Mrs Taylor, Mrs Chiffers and all the other helpers for making this possible.

Next week is our Sports Week, and it looks set to be very warm. Please ensure your child comes to school each day with sun cream applied, a hat, and a water bottle. We're also allowing children to come to school in their PE kit if they wish. The schedule is as follows:

Monday AM - Year 6

Tuesday AM - Luna, Pan, Metis, Atlas, Pandora

Thursday AM - Ganymede, Titan, Hydra, Callisto

We look forward to seeing many of you there.

Thank you, as always, for your continued support.

Mr Orr

Important Information

With high temperatures forecast for next week, children may come to school wearing their PE kits each day. Please ensure that only the correct PE kit is worn: **a house-coloured T-shirt and black shorts of an appropriate school length.**

We also ask that you apply sun cream to your child before school, provide a sun hat and ensure they bring plenty of water.

🎉 We look forward to seeing you for a fun and active Sports Day!

Food Festival

This week, we have been exploring Japanese cuisine in our DT sessions. Across the school, we made Kazari, Lettuce rolls, Maki and Gyoza. The children have been thrilled to try new foods like seaweed, radishes and sushi rice. Maybe you want to try making these dishes at home too!

Luna

We had a fantastic day learning all about **Japan in Luna Class.** The children were especially excited to make their own **kazari sushi**, which they enjoyed as part of their snack. We explored different aspects of **Japanese culture**, learned new words, and took part in traditional games such as **Janken** (rock, paper, scissors) and **Otehama**.

The class showed great curiosity and enthusiasm throughout, and it was wonderful to see them engaging so confidently with a new culture

Pan

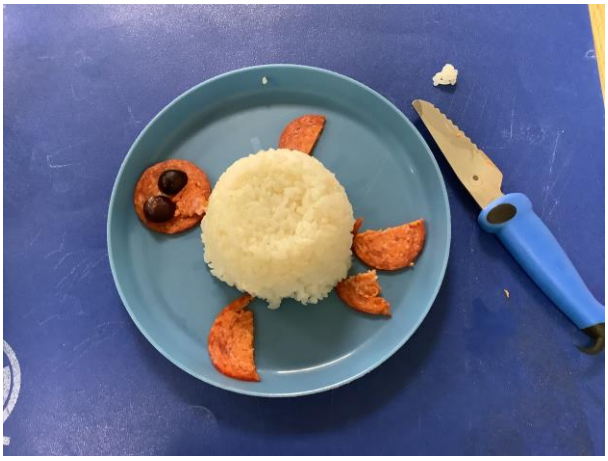

Pan class made Kazari for our Japanese inspired cooking session. We began our lesson by looking at lots of inspiring images of Kazari and discussed how we can make something ordinary like a cucumber or a grape into something extraordinary and how food can also be a form of art and expression. We decided to theme our designs based on under the sea creatures to fit with our

current topic and we had some incredible turtles, crabs, jellyfish (and one smiley bear). The children enjoyed being creative and even tried some new foods along the way.

Pandora

Ganymede

Atlas

Atlas have had fun this week exploring new foods. We have prepared and tried lettuce, sushi rice, cucumber, spring onions and spinach.

Titan

Callisto

Oberon

In Year 6, we cooked gyoza, a Japanese dumpling. There were four stages: preparing the filling, filling the gyoza wrappers, cooking the gyoza, and making a dipping sauce. We used many different skills, including chopping, mixing, folding, and cooking safely. We really enjoyed working together and eating the delicious gyoza we had made.

"They were really good" Nat

"They were so tasty - really tasty" Liara

"I thought they were fun to make" Zeyad

"Making these required a lot of concentration" Olivia

Wet Play Update

We are making an exciting change to how we manage wet playtimes. Moving forward in September, children will no longer stay indoors during wet weather. Instead, they will continue to go outside in all conditions (where it is safe to do so), giving them the opportunity to stay active, enjoy fresh air, and burn off energy.

Outdoor play is an important part of children's wellbeing and development, and we are keen to encourage resilience and a love of being outdoors in all seasons.

Please can parents and carers ensure that children come to school with appropriate clothing, including waterproof coats and suitable footwear. To help keep children comfortable and ready for outdoor play in all weather, wellies will be added to our school uniform from September. Please ensure your child brings a pair to keep in school so they can stay comfortable and enjoy their playtime whatever the weather.

We are looking to build up a supply of spare waterproof clothing for children to use when needed.

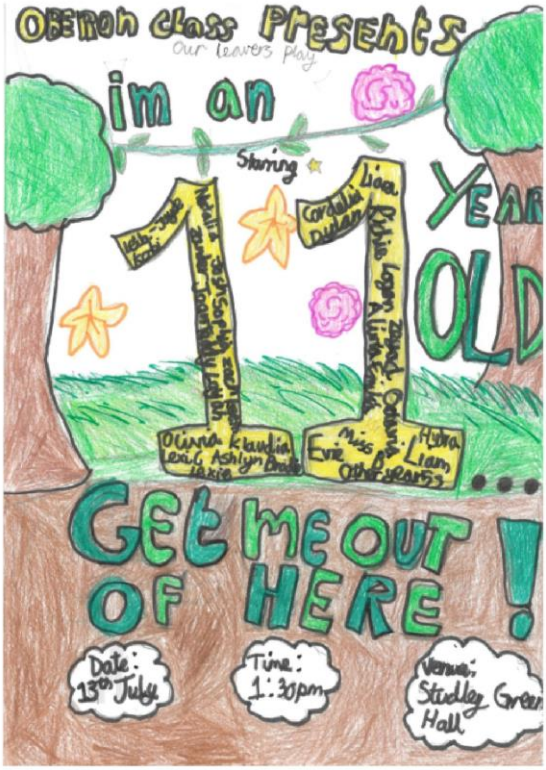

If you have any outgrown or unused wellies, waterproof coats, or rain suits at home that are still in good condition, we would be very grateful for any donations. These items help ensure that all children can stay warm, dry, and comfortable while enjoying their time outside.

Donations can be handed in at the school office.

Thank you for your continued support.

Year 6 Leavers Performance

Parent Leaflets and Flyers

Swimming Lessons Intensive swimming lessons are an excellent introduction to regular lessons or to enable children already in lessons to work on their skills and strokes to help them progress faster in their weekly class. This summer we are also **offering technique clinics for butterfly and Breaststroke stage 4/5** and **stages 6/7** - perfect if you need help to master 1 of these strokes. We are also offering **rookie lifeguard taster**- perfect for stage 6 upwards, **stage 7 water safety award 3** and learn to **dive from the poolside for stage 5 plus** (not boards or blocks). We are for the first time offering an **adult width improver** course for those who are water confident but needing stroke development/correction.
